

Eta Sigma Alpha
National Home School Honor Society
Delta Omicron Chapter

Dear Prospective Eta Sigma Alpha Member,

Attached is an application for membership in the Delta Omicron Chapter of the Eta Sigma Alpha National Home School Honor Society. Students must mail the attached application, membership dues and all required documentation to be considered for membership to BVCHEA, P.O. Box 11397, College Station, Texas 77842. Membership dues are \$20 for the first year and then \$10 per subsequent year. Checks shall be payable to BVCHEA with the words, "ESA Honor Society" written on the check memo. Once approved, students will receive a membership card and a certificate of membership. Each year when the membership is renewed, the student will receive a new membership card for that year.

To remain active, students must attend two of the four quarterly meetings a year and participate in 10 hours of community service each year. Student officers will be elected annually and with the help of the parent sponsors will plan the quarterly meetings and chapter community service projects. The chapter will provide community service opportunities for the students or the students may find their own. Your completed record of service must be verified with both your signature and the signature of the supervisor or other official from each organization or individual that you served.

The chapter will have a formal induction ceremony honoring our new members. Graduating seniors are eligible to order an ESA Diploma of Graduation as well as the ESA graduation collar to wear at the BVCHEA graduation ceremony. Officers may also order a gold honor cord to wear at graduation. Other paraphernalia such as ESA tie tacks, pins, t-shirts, caps, sweatshirts, tote bags, and polo shirts are available for purchase. Visit the etasigmaalpha.com web page for more information about these products.

Once again, thank you for your interest in the Omicron Delta Chapter of the Eta Sigma Alpha Home School National Honor Society. We hope you will consider joining. Congratulations on your success as a home school student. We wish you the best in your future endeavors.

Sincerely,

Kim Koenig

Delta Omicron Chapter Sponsor
BVCHEA Board of Director
